

The Kensington

1,708 SQUARE FEET • 3 BEDROOMS • 2 BATHS

The Kensington (Homearama 2018) is a delightful 2600 square foot walkout ranch with a quaint front porch and double door entry. A large, lovely, and open floorplan greets you as you open the front door. A beautiful great room with see through fireplace to an outdoor entertaining space, soaring vaulted ceilings and walls of windows add to the charm of this special room. The dining area and gourmet kitchen are a chef's delight. A master suite, two additional bedrooms, and hall bath complete the first level. The lower level features a large entertainment area, guest suite and storage.

Floor plan is for illustration only. Designs and specifications may be revised.
