

The Windsor

1,849 SQUARE FEET • 3 BEDROOMS • 2 ½ BATHS

The Windsor is a charming ranch home with a pretty front porch. As you enter the large and lovely great room, you can't help but be impressed with the gourmet kitchen and dining area. Perfect for entertaining family and friends. The spacious master suite features a beautiful spa bath with corner tub, large shower, split vanity sinks and a closet we all dream about. Two additional bedrooms are located on the opposite side of the home with hall bath. A separate powder room for guests, a spacious laundry/mud room and two car garage, add to the livability of this gracious home. Optional basement space can be added.
